

# WORK THAT MATTERS

**“On any given day, we might find ourselves  
sixty feet down in the Strait of Juan de Fuca.  
Our ‘office’ is the water we all enjoy in Western  
Washington. Our research is helping the state  
learn more about our fascinating neighbors —  
the sea life in the sound.”**

**Ocean Eveningsong & Larry LeClair | **Biologists**  
Washington Fish & Wildlife**

# HR

State of Washington | Creating the best public workforce in the nation.
